Atomic Safety and Licensing
Appeal Board
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Gentlemen:

Because this Board may not have convenient access to the filed documents referenced in the Suffolk County Brief filed June 1, 1984, attached hereto are copies of the following:

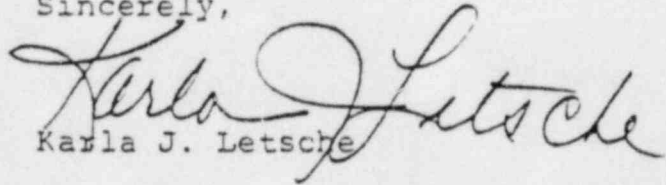

1. Memorandum for Richard W. Krimm from Edward L. Jordan, dated June 1, 1983 (p. 4 of County Brief)
2. Memorandum for Edward L. Jordan from Richard W. Krimm, dated June 23, 1983, with June 22, 1983 FEMA Review attached thereto (p. 4 of County Brief)
3. Letter to William J. Dircks from Samuel W. Speck dated March 15, 1984 with February 10, 1984 RAC Report attached (p. 7-8 of County Brief)
4. Memorandum of Governor Mario Cuomo, Representing the State of New York, in Opposition to LILCO's Motion to Compel Expedited Production of Documents by New York State, dated February 13, 1984 (p. 9 of County Brief)

Alan S. Rosenthal, Chairman
Mr. Howard A. Wilber
Mr. Gary J. Edles
June 4, 1984
Page Two

5. Letter to Messrs. Laurenson, Kline and Shon, from Stewart Glass, dated April 18, 1984, with FEMA Testimony attached. (p. 10 of County Brief)
6. FEMA Request for a Protective Order, dated May 2, 1984 (p. 11 of County Brief)

The parties have received all the above so additional copies are not being provided to them.

Sincerely,

Karla J. Letsche
