(As Revised).

Gentlemen:

A number of minor revisions have been made to the Vallecitos Nuclear Center (VNC) radiological emergency plan for reactor facilities. None of the changes reduce the effectiveness of the plan and are being reported pursuant to 10CFR50.54(q).

A summary of the changes is attached along with replacement pages for the plan. Changes on the revised pages are noted by a vertical line in the right margin.

If you have any questions concerning this submittal, please contact me on (510) 862-4330.
Thank you.

Sincerely,

G. E. Cunningham
Senior Licensing Engineer

Change

- (1) Updated site plan includes the Hazardous Materials Storage Building (Building 107).
- (2) Reflects current site operating hours.
- (3) Reflects the change in title of the Manager, Irradiation Processing (IP), to Manager, Vallecitos and Morris Operations (V&MO).
- (4) Reflects current NRC nomenclature.
- (5) Clarifies wording to reflect actual practice.
