Region III
Directorate of Regulatory
Operations

MIDLAND NONCONFORMANCE REPORTS

Reference is made to the reports which Consumers
Power is required to submit to Regulatory Operations
as a result of ALAB-106.

As you are aware, Region III has the primary
responsibility to review these reports. This pre-
viously has been performed by the Assistant Director
for Construction and Operations. If, in your
review, you identify questions or areas on which you
need technical assistance, please specify the tech-
nical issue which is raised and forward the report
to me for transmittal to the ADCO for technical
evaluation.

I am enclosing for your information the ADCO
comments on the December 1973 reports.
