Dear Mr. Carroll:

It is our understanding that your facility has agreed to participate in a voluntary pilot examination program which revises the initial operator licensing examination process.

In order to continue with the present examination format and integrity, the participants in the voluntary program will utilize the guidelines in NUREG-1021, Revision 7, Supplement 1, "Operator Licensing Examiner Standards" and NUREG/BR-0122, Revision 5, "Examiners' Handbook for Developing Operator Licensing Written Examinations" to prepare the written examinations and operating tests.

With this letter we have included supplementary instructions to aid you in the preparation of the examinations.

If you have any questions concerning this information, please contact the chief examiner or me at 610-337-5211, E-mail address GWM&NRC.GOV.

Sincerely,

Original signed by

Glenn W. Meyer, Chief
BWR/PWR Section
Division of Reactor Safety
