Safety Analysis Report (FSAR) and responses to requests from NRC staff for additional information. As required, enclosed are sixty (60) copies.

Attachment 1 lists the questions and our responses that are contained in this submittal. The response section includes revised and new responses to many of the questions contained in References (1) through (6). These responses have been submitted on the docket in previous letters for the purpose of expediting NRC staff review.

Following the response package is the Amendment 8 package which includes FSAR changes that are a result of the NRC questions and other corrections to the FSAR. Each package includes insertion instructions and effective page listings from which revised pages can be determined.

If you have any concerns related to this Amendment, please contact our licensing representative directly.

Very truly yours,
