RE: BOARD NOTIFICATION NO. 34-062
BWR CORE THERMAL HYDRAULIC STABILITY
DATED MARCH 23, 1984

BOOKLET NUMBER SD-453/459 OL
FRONT & UTIL. PAR.

On May 29, 1984, I received the attached from a third party information service. To date, I have not received one through official channels, and by the looks of the service list, that was not intended.

Since River Bend Station is intended, I gather, to be a (RBS-FSAR 4.1.2.1.1) boiling water reactor (BWR). I feel we should have been included in the service of this and all other pertinent documents.

I have not had a chance to review this report in detail, so I do not know if it is pertinent to River Bend, but it seems to involve rather important matters which could be safety related.

A copy of my letter to the commission making inquiry on this, and asking for further information, is enclosed for your information.

I would appreciate being advised as to whether this board and/or any of the parties to these proceedings received a copy of this notification.

Sincerely,

J. DAVID McNEILL, III
Assistant Attorney General

Re: Board Notification No. 84-062
BWR Core Thermal Hydraulic Stability
Dated March 23, 1984

May It Please The Commission:

On May 29, 1984, I received a copy of the above Board Notification from a third party information service.

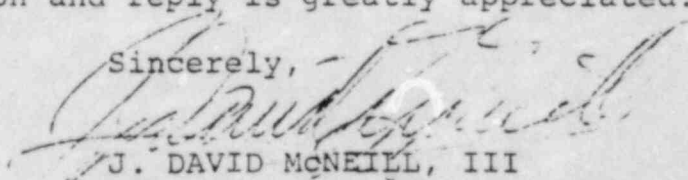

The State of Louisiana is an intervenor in the licensing proceedings styled: "In the Matter of Gulf States Utilities Co., et al (River Bend Station, Units 1 & 2) Docket Nos. 50-458 and 50-459.

Since River Bend Station (RBS) is a BWR reactor, (RBS-FSAR 4.1.2.1.1), the State of Louisiana (and all others in the RBS proceedings) should have been sent a copy of this. I would greatly appreciate it if I could be advised as to why we did not receive a copy of a document which may describe a problem that should be addressed in the RBS proceedings. Is this policy or an oversight?

Also, I would ask that the undersigned be served with any future notices pertaining to BWR.

Your consideration and reply is greatly appreciated.

Sincerely,

J. DAVID McNEILL, III
Assistant Attorney General
