Subject: Comanche Peak Nuclear Plant

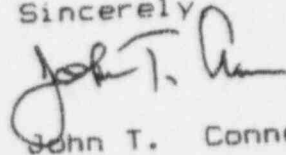

Dear Sir:

I am writing to you asking your support and involvement in the Comanche Peak Citizen's Audit. As a member of this group, I am convinced of the immediate necessity of performing such an audit.

I am enclosing some material which may be of interest to you and will answer any questions you may have on this subject.

I feel it is imperative to move quickly on this due to the critical nature of the situation.

Sincerely
