In our opinion, it is appropriate in this case for you to waive copying and search charges, pursuant to 5 U.S.C. 552 (a) (4)(A) "because furnishing the information can be considered as primarily benefiting the general public." The Nuclear Awareness Network is a non-profit organization serving and providing information to the general public.

For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld. This index is required under Vaughn v. Rosen (I), 484 F.2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1974).

We look forward to your response to this request within ten days.

Sincerely,
