SUBJECT: Proposed Design Certification Rules for Standardized Advanced Reactors (60 Federal Register 17902 and 17924)

Dear Sir:

Please refer to our letter dated August 10, 1995 providing comments on the Proposed Design Certification Rules for Standardized Advanced Reactors (60 Federal Register 17902 and 17924).

Based on a phone call from Mr. H. Tovmassian of your office, we understand that the last line of text on the first page of our letter may have been lost due to a word processing error on our part.

Enclosed is a corrected copy of our letter. The last line on the first page of this corrected version reads:

"plant may be lost. Some of our specific concerns follow."

We request that the previous version be replaced with the corrected version enclosed herewith.

We appreciate Mr. Tovmassian's effort in bringing the error to our attention.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Wallace". The signature is fluid and cursive, with a large initial "M" and a long, sweeping underline.
