In the Matter of
Texas Utilities Generating Electric, et al.
(Comanche Peak Steam Electric Station, Units 1 and 2)
Docket Nos. 50-445 and 50-446

Dear Mrs. Ellis and Mr. Reynolds:

Enclosed please find transcripts of the Wednesday, June 6, 1984 informal telephone conference call, and the Friday, June 8, 1984 public meeting, both of which were conducted to discuss the various motions for summary disposition on pipe support design and design QA issues which have been submitted by the Applicants. In order to expedite Mr. Doyle's review of the conference call transcript, extra copies of the transcripts have been sent to CASE. Also enclosed are transcripts of the Thursday, June 7, 1984 public meeting between the Staff and Applicants to discuss protective coatings inside containment at CPSES.

Sincerely,
Original signed by

Geary S. Mizuno
Counsel for NRC Staff
