Attention: Mr. James E. Richardson  
Director, Division of Engineering Technology

Subject: "Steam Generator Tube Alternate Plugging Criteria",  
Presentation Materials

Dear Mr. Richardson:

Enclosed is one copy of presentation materials entitled "Steam Generator Tube Alternate Plugging Criteria" (Proprietary), which will be used at the February 6, 1992 NRC meeting.

The enclosed information contains information which is proprietary to Westinghouse Electric Corporation. Accordingly, we request that this information be withheld from public disclosure.

We will comply with the requirements of 10CFR2.790 to provide proprietary and non-proprietary versions of the above material together with an affidavit as soon as the proprietary and non-proprietary versions have been prepared. We will submit the total required number of copies of the proprietary and non-proprietary versions of the information and the required affidavit at that time.

In the meantime, we have provided sufficient copies for your information and use. M. P. Siemien, Esq., of the NRC Office of the General Counsel, has advised Westinghouse that she concurs with this procedure.

We expect to be able to fully comply with the requirements for the proprietary and non-proprietary versions of the information and an accompanying affidavit within four weeks.

Very truly yours,

*M. Young for SRT*  
S. B. Tritch, Manager
