Dear Judge Miller:

We are in receipt of your telegraphic order of this date, a copy of which is attached, that, among other things, states: "Such affidavits . . . also serve to fix responsibility for such allegations." We do not know what is intended by this sentence and, particularly, what is meant by the words "fix responsibility."

We, therefore, would appreciate your clarifying this sentence in order that the County may be appropriately responsive to your telegraphic order.

Sincerely,

Herbert H. Brown
