Docket No. 50-293
License No. DPR-35

Subject: Scheduling of Pilgrim Nuclear Power Station 1995
Emergency Preparedness Exercise

In accordance with the requirements of 10 CFR 50, Appendix E, Section IV.F.2, Boston Edison Company plans to conduct a full participation Emergency Preparedness Exercise with the Commonwealth of Massachusetts on December 13, 1995.

Two copies of the proposed scope and objectives for this exercise are attached for your review. Also included for your review is the proposed schedule for activities surrounding the exercise.

The objectives include demonstration, where appropriate, of corrective actions taken in regard to areas that warrant attention that have been previously identified during NRC inspections, emergency exercises, and drills. The scope and objectives are submitted in accordance with FEMA's guidance memorandum EX-3, dated February 26, 1989.

If you have any questions or require additional information, please do not hesitate to contact Mr. Jack Spangler, Onsite Emergency Preparedness Division Manager, 600 Rocky Hill Road, Plymouth, MA 02360, or call (508) 830-8041.
