Re: Seabrook Nuclear Station, Unit 1:
No Significant Antitrust Change Finding

Dear Mr. Miles:

Pursuant to the antitrust review of the anticipated corporate combination between Northeast Utilities and Public Service Company of New Hampshire and the proposed change in ownership in Seabrook Unit 1 that will result from this combination, the Director of the Office of Nuclear Reactor Regulation has made a finding in accordance with Section 105c(2) of the Atomic Energy Act of 1954, as amended, that no significant antitrust changes have occurred subsequent to the previous antitrust review of Unit 1 of the Seabrook Nuclear Station.

This finding is subject to reevaluation if a member of the public requests same in response to publication of the finding in the Federal Register. A copy of the notice that is being transmitted to the Federal Register and a copy of the Staff Review pursuant to Unit 1 of the Seabrook Nuclear Station are enclosed for your information.

Sincerely,
