Inspection Report
84-05

ATTENTION: Mr. James P. O'Reilly

GENTLEMEN:

Georgia Power Company's April 16, 1984 letter provided a response to Inspection Report 84-05, which identified Violation Item 321/84-05-01 and 366/84-05-01, Inadequate Inspection of Masonry Wall Modifications.

Mr. J. T. Lenahan of your staff has informed us that additional corrective action is necessary to resolve the Violation Item. Confirming the discussion with Mr. Lenahan on April 30, 1984, further review of QC inspection records will be performed to determine the adequacy of the inspections. The results of the investigation will be transmitted by July 29, 1984.

Please contact this office if there are any questions.

Very truly yours,

William E. Burns / for
