Re: DUKE POWER COMPANY, et al. (Catawba
Nuclear Station, Units 1 and 2),
Docket Nos. 50-413, 50-414

Gentlemen:

Enclosed are updated portions of the South Carolina emergency plans. These are SCORERP Part 4 (Catawba Site-Specific) and the York County Emergency Operations Plan, both dated January 1984. The parties and the court reporter already have these current plans (which are part of Applicants' Exhibit EP-2 along with SCTRERP and SCORERP). When we made courtesy copies of the emergency plans for the Board prior to the commencement of the hearings, we inadvertently duplicated the old May 1983 versions of the two particular documents. All of the other plans submitted reflect the current versions of each document.

Respectfully submitted,

J. Michael McGarry, III
