MEETING NOTICE

Purpose: Public Teleconference on Spent Fuel Performance Margins
Date: April 16, 2020 1:00 p.m. – 2:30 p.m.
Location: By phone and skype
Telephone: 888-576-2990 Participant Passcode: 5461232
Webinar: <https://skype.nrc.gov/meet/paul.kallan/j1b0fwgg>

If joining the meeting using Skype, please mute the computer and dial into the bridgeline number above for audio.

Purpose: The purpose of this teleconference is to continue dialogue on recommendations contained in the Nuclear Energy Institute's white paper on Spent Fuel Performance Margins dated November 8, 2019 (Agencywide Documents Access and Management System (ADAMS) Accession No. ML19318D971). This workshop will build upon discussions held during the January 22, 2020, public workshop (see summary at ADAMS Accession No.) and March 25-26, 2020 public workshop (summary to be issued within 30 days of workshop).

During this teleconference, representatives from the Electric Power Research Institute (EPRI) will present on recommendations for future work related to guidance surrounding Title 10 of the Code of Federal Regulations (10 CFR) 72.122(h), which pertains to protection against gross rupture. This presentation will include a discussion of the format or process for future interactions on this topic.

Participants: NRC/NMSS
A. Kock
C. Regan
T. Inverso
Y. Diaz-Sanabria
M. Rahimi
K. Armstrong
J. McKirgan, et al.

NEI
R. McCullum
M. Richter, et al.

Meeting Category: This is a **Category 1 Meeting**. The public is invited to observe this meeting and will have one or more opportunities to communicate with the NRC after the business portion, but before the meeting is adjourned. The NRC's Policy Statement, "Enhancing Public Participation on NRC Meetings," effective May 28, 2002, applies to this meeting. The policy statement may be found on the NRC website, www.nrc.gov, and contains information regarding visitors and security.

The NRC provides reasonable accommodation to individuals with disabilities where appropriate. If you need reasonable accommodation to participate in this meeting, or need the meeting notice, transcript, or other information from the meeting in another format (e.g., braille, large print), please notify the NRC's meeting contact. Determinations on requests for reasonable accommodation will be made on a case-by-case basis.

Contact: Paul Kallan, (301) 415-2809, Paul.Kallan@nrc.gov

Attendance at this meeting by other than those listed above should be made known by April 9, 2020, by phone or email to the above contacts.
