

JUN 12 1984

Docket No. 50-382

APPLICANT: Louisiana Power and Light Company

FACILITY: Waterford 3

SUBJECT: MEETING SUMMARY FOR MEETING BETWEEN NRC STAFF AND LP&L TO DISCUSS PRELIMINARY RESULTS OF WATERFORD 3 TEAM EFFORTS

A meeting between the NRC staff and Louisiana Power and Light Company (LP&L) was held in Bethesda in room P-118 of the Phillips Building on June 8, 1984 to discuss the preliminary result of the Waterford 3 team efforts. A list of attendees and their affiliation is provided in Enclosure I. Items discussed at the meeting are provided in Enclosure II. The applicant was requested to provide a program that would address the specific areas and enable the staff to reach a licensing decision.

As this public meeting was transcribed, further details of the meeting may be found in the meeting transcript, which will be available in the Public Docket Room and Local Public Docket Room.

James H. Wilson, Project Manager
Licensing Branch No. 3
Division of Licensing
