NUCLEAR REGULATORY COMMISSION  
DOCKET NO. 446A  
TEXAS UTILITIES ELECTRIC CO.  
COMANCHE PEAK STEAM ELECTRIC STATION, UNIT 2  
RECEIPT OF ANTITRUST INFORMATION AND  
TIME FOR PUBLIC COMMENT

Texas Utilities Electric Company has filed antitrust information in conjunction with its application for an operating license for the Comanche Peak Steam Electric Station, Unit 2 located in Somervell County, Texas, approximately 40 miles southwest of Fort Worth, Texas. The data submitted contain antitrust information for review, pursuant to NRC Regulatory Guide 9.3, necessary to determine whether there have been any significant changes since the antitrust operating license review of Comanche Peak Unit 1, which was completed in August 1989.

On completion of a staff antitrust review, the Director of the Office of Nuclear Reactor Regulation will issue an initial finding as to whether there have been "significant changes" under section 105c(2) of the Atomic Energy Act, as amended. A copy of this finding will be published in the **Federal Register** and will be sent to the Washington, D.C. and local public document rooms and to those persons providing comments or information in response to this notice. If the initial finding concludes that there have not been any significant changes, a request for reevaluation of the finding may be submitted within 30 days of the date of this **Federal Register** notice. The results of any reevaluation that are requested will also be published in

the **Federal Register** and copies sent to the Washington, D.C. and local public document rooms.

A copy of the general information portion of the application for an operating license and the antitrust information submitted is available for public examination and copying for a fee at the Commission's Public Document Room, 2120 L St., N.W., Washington, D.C., and in the local public document room at the Somervell County Library, On the Square, P.O. Box 417, Glen Rose, Texas 76403.

Any person who desires additional information regarding the matter covered by this notice or who wishes to have views considered with respect to significant changes related to antitrust matters which occurred since the previous antitrust review, should submit such requests for information or views to the U.S. Nuclear Regulatory Commission, Washington, D.C. 20555, Attention: Chief, Policy Development and Technical Support Branch, Office of Nuclear Reactor Regulation, within 30 days of the date of this notice.

Dated at Rockville, Maryland, this 14th day of February  
1992.
