Gentlemen:

We have received your letter dated January 27, 1992, which transmitted Revision 7 to the River Bend Station (RBS) Emergency Plan.

We have reviewed Revision 7 and have determined that it is acceptable and does not degrade the effectiveness of your emergency planning for RBS.

Revision 7 includes a change in responsibility for dose assessment, incorporation of offshift exercise requirements, correction of inconsistencies resulting from new procedure changes, and typing corrections.

If you have any further questions or comments, please contact Mr. Nemen Terc at (817) 860-8129.

Sincerely,

Original signed by
