Re: Catawba Nuclear Station  
Units 1 and 2  
Docket Nos. 50-413 and 50-414  
SD 413-414/84-04

Dear Mr. O'Reilly:

My letter of May 22, 1984 concerning the status of corrective action on the partial penetration weld problem incorrectly referred to the Significant Deficiency Report No. SD 413-414/84-06. This should have been Report No. SD 413-414/84-04.

Very truly yours,

Hal B. Tucker
