Dear Mr. Chairman:

Enclosed you will find an Affidavit to accompany the "Suffolk County and State of New York Request for Recusal and, Alternatively, Motion for Disqualification of Chairman Palladino," submitted June 5, 1984. This Affidavit previously has been filed before the Licensing Board and is submitted herewith in the event you believe an affidavit is appropriate for the instant request.

We are in receipt of the "Memorandum to the Parties," dated June 20, 1984, by which you requested the NRC Staff to submit views on the County and State recusal request. In view of the fact that the Staff is alleged to have played a role in the conduct which is the subject of the recusal request, we ask you to consider whether it is appropriate to seek the Staff's views.

Sincerely yours,

Lawrence Coe Lanpher  
Attorney for Suffolk County
