Dear Mr. Griffin:

SUBJECT: IAEA INSPECTION OF ANO-2

As previously discussed with a member of your staff, two IAEA representatives would like to visit the ANO-2 site on June 25, 1984 and your General Office on June 26, 1984. The purpose of the visit is to service the IAEA surveillance camera installed in the ANO-2 spent fuel pool area and to examine the records maintained pursuant to 10 CFR Part 75 at Little Rock General Office.

The IAEA representatives are K. Murakami and R. Zoehmann. They understand that they are to take your health physics training on the morning of June 25. Their Laissez-passer numbers are Nos. 38379 and 81063, respectively.

We wish to thank you for the courtesy and cooperation your staff has provided to date in implementing the IAEA Safeguards at ANO-2.

Sincerely,
