Docket No. 50-172

WIN 7-1571

Mr. W. Oliver Welch
State Planning Officer
State Planning Bureau
116 Mitchell Street, SW
Atlanta, Georgia 30303

Dear Mr. Welch:

The Commission has issued the enclosed order to the Lockheed Aircraft Corporation. The order authorizes the dismantling of the Radiation Effects Reactor facility covered by Facility License No. R-86 and located in Dawson County, Georgia.

A copy of Lockheed's application for the dismantling order is also enclosed for your information.

Sincerely,

*(Original Signed by
Peter A. Morris*

Peter A. Morris, Director
Division of Reactor Licensing
