OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

In the Matter of
Georgia Power Company, et al.
(Vogtle Electric Generating Station, Units 1 and 2)
Docket Nos: 50-424-OLA-3 and 50-425-OLA-3

Dear Mr. Hoyle:

Pursuant to the Commission's scheduling Order dated September 13, 1995, Georgia Power Company (GPC) filed with the Commission "Georgia Power Company's Petition For Review Of Order To Produce Attorney Notes Of Privileged Communications" on September 20, 1995. Responses to GPC's petition were permitted to be filed by September 29, 1995.

The Staff does not intend to file a response to GPC's petition. The Staff views the matter as a fact-specific discovery dispute solely between GPC and the intervenor in the above-captioned proceeding, Alan Mosbaugh, which does not constrain future Staff activities.

Sincerely,

A handwritten signature in dark ink, appearing to read "John T. Hull".

John T. Hull
Counsel for NRC Staff
