Docket No. 50-462

Illinois Power Company  
ATTN: Mr. W. C. Gerstner  
Executive Vice President  
500 South 27th Street  
Decatur, IL 62525

Gentlemen:

This refers to the meeting conducted between Mr. Kelley, you and members of the Illinois Power Company and me and members of my staff on May 31, 1984, at the plant site near Clinton, Illinois. The purpose of this meeting was to discuss the status of management and quality activities with respect to construction work at the Clinton Power Station.

The enclosed copy of our report identifies areas discussed during the management meeting.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure(s) will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1). If we do not hear from you in this regard within the specified periods noted above, a copy of this letter and the enclosed inspection report will be placed in the Public Document Room.
