In the Matter of  
PHILADELPHIA ELECTRIC COMPANY  
(Limerick Generating Station, Units 1 and 2)  
Docket Nos. 50-352 and 50-353

Dear Administrative Judges:

The Staff received a pleading entitled "AWPP Moves The Board Re-open the AWPP Asbestos Question and the Use of 'Judgment' by Mr. Boyer and Mr. Wetterhahn," dated June 8, 1984, which appears to be a motion for reconsideration of the Licensing Board's denial of the admission of the asbestos contention and the Board's subsequent denial of AWPP's first motion for reconsideration of that ruling. In view of the fact that AWPP's request to reopen is indeed a motion for reconsideration, the Staff will not respond to this filing until so directed by the Licensing Board.

Sincerely,

Nathene A. Wright  
Counsel for NRC Staff
