Re: TMI-1 Restart, Docket No. 50-289

Dear Mr. Chilk:

On June 22, 1984, Licensee petitioned the Commission to review the Appeal Board's May 24, 1984 decision on the management issues in this proceeding, ALAB-772. See Licensee's Petition for Review of ALAB-772, June 22, 1984. This is to inform the Commission that the Staff does not oppose Commission review of ALAB-772. Pursuant to 10 C.F.R. § 2.786(b)(3), therefore, the Staff will not be filing an answer to Licensee's Petition. Of course, if the Commission decides to review ALAB-772, the Staff will file a brief addressing the issues on review.

Sincerely,

Jack R. Goldberg
Counsel for NRC Staff
