TMIA MOTION FOR EXTENTION OF TIME
FOR REPLYING TO PETITION FOR REVIEW

OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

TMIA was served in Harrisburg on June 25, 1984, with Licensee's Petition for Review of ALAB-772. TMIA hereby requests a brief, one week extension of time for responding to this petition.

TMIA requests this brief extention of time because of the requirements in the management phase of this proceeding currently burdening all parties, particularly the intervenors. Without such an extention, TMIA's response to Licensee's petition for review would be due one day before comments are currently due from parties other than the staff on the Commission's June 1 Order. Additionally, all parties were involved in a preparation for and attendance of a pre-hearing conference held on June 28. As a result, the time for intervenors to additionally prepare a response to Licensee's petition has been severely limited.

Thus, TMIA requests until July 12 to serve its response to Licensee's petition for review. TMIA is willing to hand deliver its response that day.

Respectfully submitted,
Three Mile Island Alert
