SUBJECT: REVIEW OF THE BRAIDWOOD STATION - DOCKETS 50-456 and  
50-457, UNITS 1 & 2 , BRAIDWOOD CONSTRUCTION ASSESSMENT PROGRAM

On June 22, 1984, Commonwealth Edison Company (CECo) forwarded copies of the Braidwood Construction Assessment Program (BCAP) to Region III. CECo requested that the NRC review and concur in the program described in the BCAP, and overview the implementation and documentation of the BCAP activities such that the NRC will be able to reach a conclusion that the results of the BCAP effort are reliable.

You are requested to review and comment on the attached BCAP. It is requested that this review be complete and comments, if any, be provided to Region III not later than July 13, 1984, so that Region III may respond to the CECo request.

If you or your staff have any questions, please contact Mr. W. L. Forney (FTS 388-5590) of my staff.
