Gentlemen:

Enclosed is Suffolk County's Motion to Compel Production of Documents by FEMA, and to Postpone the Cross-Examination of FEMA's Witnesses, and for Issuance of Subpoenas to the Members of the RAC. The County requests that the Board consider the County's Motion as expeditiously as possible in light of its potential impact on next week's hearing schedule.

Counsel for the State of New York has authorized me to inform the Board that the State joins in the County's Motion.

Yours truly,

Christopher M. McMurray
