ORDER

We have received today the "Appeal" of intervenor Friends of the Earth (FOE) from certain oral rulings made by the Licensing Board on June 19, 1984. The replies of applicant Philadelphia Electric Company (PECo) and the NRC staff to FOE's pleading shall be received by us no later than Friday, July 20, 1984. Because FOE's papers are confusing and unclear, we expect the parties' replies to illuminate, albeit concisely, the specifics of this present controversy. The parties should also address the Licensing Board's jurisdiction to consider FOE's requests, insofar as PECo's Part 70 license is concerned.

It is so ORDERED.
