Docket No. 50-322 (OL)

Dear Judge Brenner:

Enclosed please find one copy of the TDI Owners' Group Phase II Report specific to the Shoreham Nuclear Power Station. This document, along with the Phase I Generic Reports issued to date, constitute the complete design and quality review of the Shoreham TDI diesel generator sets. Due to the massive reproduction efforts that must take place for normal distribution of these documents, hand reproduced sets have been forwarded to you, counsel for Suffolk County, and counsel for the NRC Staff today. All other parties will receive a copy of the report early next week.

The Phase II Report is final, subject to confirmatory quality assurance review by Lilco. It is possible that some changes may have to be made to the report. Because of the importance of the report, however, we felt it important to provide copies in this form to you, Suffolk County and the NRC Staff at this time.

Very truly yours,

*Odes L. Stroupe, Jr.*
