Dear Administrative Judges:

The NRC staff is in receipt of the "Suffolk County Motion to Compel Production of Training Related Documents by LILCO" dated June 26, 1984. The Staff views the County's motion, which seeks production of documents constituting the "results" of LILCO's recent "additional training drills for LERO trainees," as a discovery dispute involving the County and LILCO. Accordingly, the Staff does not take a position as regards the motion in question.

Sincerely,
