## General Comment

I OPPOSE the proposed regulatory change to allow radioactive waste in regular landfills and hazardous waste sites. Do not risk our lives. This move will contaminate groundwater which drains EVERYWHERE!!! INCLUDING THE WATER MANY LEGISLATORS COMMUNITIES NEED TO SURVIVE. The covid-19 is bad enough without this commission trying to change law's that protect life while half the country is trying to deal with a public health crisis. Do what's right to sustain life on this planet ...
