Gentlemen:

SUBJECT: GRAND GULF OPERATIONAL QUALITY ASSURANCE PROGRAM

Your letter to this office dated June 10, 1983, provided the current description of the operational quality assurance program (MPL-TOP-1A) for the Grand Gulf station (Docket No. 50-416). Additional clarification was provided in your letters dated February 22, 1984, and April 12, 1984, in response to questions transmitted by my letter dated September 23, 1983. Our review of this information indicates that the Grand Gulf operational quality assurance program continues to satisfy 10 CFR 50 Appendix B requirements and is therefore acceptable.

Please contact us if you have any questions concerning this letter. We appreciate your timely submittal and prompt response to our questions regarding the information required by 10 CFR 50.54(a).

Sincerely,
