ORDER ON REQUEST
FOR EXTENSION OF TIME

In a telephone conference call of July 13, 1984, Intervenor
requested a two week extension to August 1, 1984, to file proposed
findings of fact and conclusions of law. After hearing the positions of
all of the parties in the matter, we interimly granted Intervenor a
seven day postponement to July 25, 1984. Following further
consideration of the matter, we allow the extension to July 27, 1984,
with the understanding Intervenor will not be given any additional
extensions. The times for further filings to be made by the other
parties, are also extended by nine days.

It is so Ordered.
