Docket No. 50-316

American Electric Power Service
Corporation
Indiana and Michigan Electric Company
ATTN: Mr. M. P. Alexich
Vice President
1 Riverside Plaza
Columbus, OH 43216

Gentlemen:

My inspection staff has reviewed your proposed practice concerning reporting of worker radiation exposure information for American Electric Power Service Corporation personnel who work at the D. C. Cook Nuclear Plant, as requested in your June 27, 1984 letter. We agree that your proposal meets the intent of 10 CFR 20.408(b) and 10 CFR 20.409(b), provided that you establish a system for ensuring that the required reports are made upon workers' termination from the American Electric Power Service Corporation.

Mr. L. R. Greger (312-790-5644) of my staff is available to answer any additional questions your staff may have concerning this matter.

Sincerely,
