OFFICE OF INSPECTION AND ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Tennessee Valley Authority
Docket Nos. 50-259, 50-260, 50-296
License Nos. DPR-33, DPR-52, DPR-68
Browns Ferry Plant, Units 1, 2, and 3

Subject: CONFIRMATORY ORDER

This is to inform the Commission that a Confirmatory Order will be issued to Tennessee Valley Authority today. The Order is an immediately effective Order which confirms the licensee's commitment to implement the Browns Ferry Regulatory Performance Improvement Program (RPIP) within the scheduled time outlined in the RPIP.

The RPIP was written by the licensee to enhance performance at the site as a result of the poor performance indicated by the Systematic Assessments of Licensee Performance (SAL's) and the recurring violations identified at the site. The Confirmatory Order is necessary to ensure adherence to regulatory requirements for testing, surveillance, maintenance and operating activities at the Browns Ferry Plant.

The Order is effective upon issuance and the licensee has twenty days to request a hearing on the Order. A request for a hearing shall not stay the immediate effectiveness of this Order.

The State of Alabama will be notified.
