OFFICE OF INSPECTION AND ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Florida Power and Light Company
Docket Nos. 50-250, 50-251
Turkey Point, Unit 3 and Unit 4

Subject: CONFIRMATORY ORDER

This is to inform the Commission that a Confirmatory Order was issued to Florida Power and Light Company yesterday. The Order is an immediately effective Order which confirms the licensee's commitment to implement the Turkey Point Performance Enhancement Program (TPPEP) within the schedule outlined in the TPPEP.

The TPPEP was written by the licensee to enhance performance at the site as a result of the poor performance indicated by the Systematic Assessments of Licensee Performance (SALPs) and the recurring violations identified at the site. The Confirmatory Order is necessary to ensure adherence to regulatory requirements for testing, surveillance, maintenance and operating activities at the Turkey Point Nuclear Plant.

The Order is effective upon issuance and the licensee has twenty days to request a hearing on the Order. A request for a hearing shall not stay the immediate effectiveness of this Order.

The State of Florida will be notified.
