MEMORANDUM AND ORDER
(Granting Extension of Time for
Filing Petition for Hearing)

On or about July 2, 1984, Intervenors requested a reasonable extension of time to permit Intervenors to determine whether certain emergency planning commitments had been met.* Counsel for Applicant reported to the Board in a July 13 letter that, on the basis of certain agreements, Applicant supports Intervenors' revised request for an extension of time until September 14, 1984 in which Intervenors may file any petition for hearing under the emergency planning stipulation.

* Intervenors' undated pleading did not comply with the Board's requirements. The name of the filing party and the date of the pleading must appear on the face page of each document served in this proceeding.

DS02

The Board approves the extension on the basis set out in Applicant's July 13 letter.
