

Docket No. 50-275

SEP 21 1984

Pacific Gas & Electric Company
77 Beale Street, Room 1435
San Francisco, California 94106

Attention: Mr. J. O. Schuyler, Vice President
Nuclear Power Generation, Licensing

Gentlemen:

Subject: NRC Inspection 84-31 of Allegations

This refers to the inspection conducted August 20-24, 1984 by Mr. P. Qualls of this office concerning allegations RV-84-A-0085 and RV-84-A-0082.

The allegations and areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and records, personnel interviews and observations by the inspector.

There were no items of noncompliance however some followup action is required on your part as specified in the attached inspection report.

In accordance with 10 CFR 2.790(a), a copy of this letter and enclosures will be placed in the NRC Public Document Room.

Should you have any questions concerning this inspection, we will be glad to discuss them with you.

Sincerely,

T. W. Bishop
T. W. Bishop, Director
Division of Reactor Safety & Projects
