Georgia Power Company
ATTN: Mr. R. J. Kelly
Executive Vice President
P. O. Box 4545
Atlanta, GA 30302

Gentlemen:

SUBJECT: REPORT NOS. 50-424/84-05 AND 50-425/84-05 (CORRECTION)

On June 14, 1984, NRC transmitted the subject report of inspection of activities at your Vogtle facility. The inspection report and the transmittal letter discussed an NRC memorandum which served as the inspection plan and was listed as an attachment to the report.

Due to an administrative error, the attachment was not included with the inspection report transmitted on June 14, 1984. To correct that error, the enclosed memorandum should be attached to the report forwarded earlier.

Should you have any questions concerning this letter, please contact us.
