Docket Nos. STN 50-529 and STN 50-530 *OC*

Dear Administrative Judges:

Pursuant to the Licensing Board's Order of June 18, 1984, West Valley, Joint Applicants and the NRC staff are pleased to report that they agreed upon the remaining contentions in this proceeding and upon a schedule for their litigation. By entering into this stipulation, West Valley has not waived its right to appeal the Licensing Board's denial of West Valley's original Contention VIII requesting that a supplemental environmental impact statement be prepared by the NRC staff.

Enclosed is the Stipulation which has been entered into regarding these matters and a proposed Board Order.

Sincerely,

Lee Scott Dewey  
Counsel for NRC Staff
