In the Matter of  
Texas Utilities Generating Electric, et al.  
(Comanche Peak Steam Electric Station, Units 1 and 2)  
Docket Nos. 50-445 and 50-446 *OL*

Dear Ms. Garde:

In accordance with your request by telephone on July 6, 1984, enclosed please find transcripts of interviews of Mr. Corey A. Allen (November 21, 1983), and Mr. Joseph J. Lipinsky (January 4, 1984), both of which were taken by NRC Staff inspector Frank Hawkins. As I pointed out to you in our telephone call, the transcript indicates that a copy of Mr. Allen's transcript was sent to him, and that Mr. Hawkins confirmed in a telephone call with Mr. Allen that he had received his interview transcript. This also confirms your representation that Mr. Allen agreed to waive his earlier request for confidentiality.

In addition, please find copies of interview summaries of 6 individuals who were interviewed by the Staff during the April 1984 special inspection of CPSES. Copies of the transcript and the interview summaries are also being provided to the Applicants.

Sincerely,

Geary S. Mizuno  
Counsel for NRC Staff
