On July 12, 13 and 14, we received from LILCO new data and documents that may relate to matters discussed in the enclosed testimony. Due to the time constraints associated with filing the enclosed testimony today, the County's witnesses were unable to review the new material received from LILCO prior to finalization of their testimony. After the witnesses have had an opportunity to review the recently produced LILCO data, they will, if necessary, amend their pre-filed testimony as appropriate.

Sincerely,

Karla J. Letsche
