Document Control System

From: Mary E. Wagner  
Office of the Executive Legal Director

SUBJECT: TMI-1 RESTART, DOCKET NO. 50-289

Attached are a number of documents, responsive to a discovery request against the Staff, which I request you place in the NRC Public Document Room at H Street and in the Local Public Document Room for the TMI-1 Restart Proceeding, under Docket No. 50-289. I further request that when these documents are placed in the PDRs, they be placed in a file labelled "Staff Response to UCS' First Request For Production of Documents," since I have represented to counsel for UCS that they would be so labelled.

Thank you for your attention to this matter.
