Dear Mr. Spence:

Subject: September 18, 1984 Letter, D. G. Eisenhower to M. D. Spence,
Re: Comanche Peak Review

During our meeting on September 18, 1984 at Bethesda, Maryland, we discussed the technical issues regarding Comanche Peak which the NRC Technical Review Team identified as having potential safety implications and thus requiring additional information. The subject letter listing these items and the information that we requested were provided to you during that meeting.

We have since discovered some typographical errors in the Enclosure to the September 18, 1984 letter and provided Mr. John Merritt of your staff with a marked-up copy of that letter on September 21, 1984. Enclosed for your information is an errata to the letter.

Sincerely,

Original signed by
