On April 18, 1989, OI Investigators E. Wilson, OI:RI and M. Fahey, OI:RIII, interviewed, on the record, Paul Blanch. Blanch provided the OI investigators with a number of documents unrelated to the original allegation forwarded to OI by the Regional Administrator for investigation. The documents appear to relate to technical issues. I am providing you a copy of those documents and a copy of the April 18, 1989, transcript for information and action as appropriate. The transcript has not been reviewed by Blanch. OI is in the process of reviewing the transcript for accuracy. Therefore, please contact Wilson before you take any action based on the transcript.
