Re: Alabama Power Company (Joseph M. Farley
 Nuclear Plant, Units 1 and 2), Operating
 Licenses Nos. NPF-2 and NPF-8

Dear Sirs:

Alabama Power Company ("APCO") respectfully requests that the Commission accept and consider the enclosed "Reply of Alabama Power Company to Responses of Alabama Electric Cooperative, Inc. and Department of Justice." Both referenced responses, filed in accordance with the Commission's Order dated July 9, 1984, raise new matters which have not heretofore been addressed by APCO, and APCO believes that the Commission would be aided in its deliberations by having before it APCO's views on these matters.

Sincerely,

Ja Baer
 J. A. Bouknight, Jr.
 Attorney for Alabama Power Company
